

# OUR CORE VALUES

## ***PEOPLE***

At Fleet Complete, we are a team of dedicated, innovative and passionate people, driven to succeed. Our fun-loving entrepreneurial spirit and the synergy of talented individuals provide the perfect environment for fast growth and new opportunities.

## ***CUSTOMER CENTRIC***

Our customers are the heart and soul of everything we do. From product development to user experience to customer support, we strive to deliver the best. Our goal is to help businesses succeed by removing clutter, adding efficiency and creating a higher revenue stream.

## ***CHANNEL PARTNERS***

As a provider of telematics and Internet of Things, we ensure that our customers get the reliability of a large mobile carrier with a secure national network. This is why we enter exclusive partnerships with leading telecommunications providers in the region.

## ***PRODUCTIVITY***

Combining the best talent with our commitment to innovation and quality makes us highly productive in everything we do. Doing things smarter, not harder, and performing at our peak is always top of mind as we go about our day.

## ***QUALITY***

We know that our clients trust us with mission-critical aspects of their businesses, and that's why we are committed to upholding the highest standards of quality in both our products and our customer service.

## ***COMMUNITY***

At Fleet Complete, we have a strong commitment to helping those in need and to improving our community. From sponsorship to fundraisers to company-wide charity events, we are always on the lookout for ways to give back.

## ***INNOVATION***

Innovation is at the heart of our organization. We owe a large part of our success and continuous growth to the big and small ideas that we bring to life every day. From innovative products and processes, to setting new standards and implementing the best practices, our people are always coming up with better ways to do things.
